Voice of Hope is celebrating 37 years of service to the children and families living in low income neighborhoods. We provide strong character models, education support, life skills, and family support services needed to become productive citizens.

After nearly 4 decades, we have become a cornerstone of the community, providing out of school time programs in a Christian-based environment for over 350 children and their families at three locations; our main campus in West Dallas and school-based sites at Uplift Gradus in DeSoto and Grand in Grand Prairie.

At Voice of Hope, every young person is valued. We give children a voice to lift them up from poverty. We develop a sense of purpose by providing character development and spiritual growth through Biblical principles and teaching Christian values.

Our Biblically Based Christian Character Formation Curriculum helps guide students through exercising good character and developing a relationship with Jesus Christ

The continued success of our programs depends on the support of partners dedicated to investing in our future generations. By investing in our children’s spiritual enrichment, character formation, education and well-being at an early age, we provide that child with knowledge and skills to last a lifetime and become productive Christian citizens.

Be a part of our growing, dynamic ministry as we spread the Gospel of Jesus Christ to hundreds of children each year. Our ministry has grown from $900,000 in 2011 to $1,437,609 in 2016, expanded to serve more children, evolved to provide a high quality program curriculum and improved overall service delivery.
